Recruiting Staff

National Competency Standard (BSB):

BSBHRM405 – Support the recruitment, selection and induction of staff.

Course Objectives

This course presents the skills and knowledge required to execute tasks associated with the recruitment cycle that require in-depth knowledge of the work of the organisation and how recruitment and selection practices fit with other human resources functions.

It will assist individuals who support recruitment, selection and induction functions under the direction of a human resource manager.

Duration

1 Day.

Course Outcomes

On completion of this course you will be able to:

1. Appreciate the impact of staff turnover
2. Establish organisational direction
3. Interview the job before the candidates –job audits
4. Identify specific skill/resource gaps
5. Develop job specifications
6. Ask relevant and legal questions
7. Design the selection process
8. Conduct the selection process
9. Conduct reference checks
10. Select the best candidate
11. Notify candidates
12. Develop induction processes

Optional Assessment

This is a nationally recognised training program. Participants who successfully complete the optional assessment component of this course will receive a Statement of Attainment for the unit(s) of competency outlined above (additional fee applies – please enquire when you book). Exercises completed during the course will be used as evidence towards unit competency. Participants who choose not to be assessed will receive a Certificate of Attendance.
