Time Management

National Competency Standard (BSB):

BSBWOR202 Organise and complete daily work activities

BSBWOR301 Organise personal work priorities and development

BSBWOR404 Develop work priorities

BSBWOR501 Manage work priorities and professional development

Course Objectives

This course teaches practical techniques for managing personal and work time.

Duration

1 Day

Course Outcomes

1. Identify the benefits of time management.
2. Evaluate productivity, identify goals and set priorities.
3. Develop time management plans.
4. Create daily plans and recognise obstacles.
5. Use technology to save time
6. Increase productivity by controlling interruptions and meetings
7. Recognise factors that adversely affect productivity.

Optional Assessment

This is a nationally recognised training program. Participants who successfully complete the optional assessment component of this course will receive a Statement of Attainment for the unit(s) of competency outlined above (additional fee applies – please enquire when you book). Exercises completed during the course will be used as evidence towards unit competency. Participants who choose not to be assessed will receive a Certificate of Attendance.
